Chisinau, 19th July, 2022

His Excellency Mr.Nicolae POPESCU

Deputy Prime Minister,

Minister of Foreign Affairs and European Integration

of the Republic of Moldova

On behalf of the Government of the People's Republic of China, I would like to confirm that through friendly mutual negotiation, as well as under the Agreement on Technical and Economic Cooperation between the Governments of the People's Republic of China and the Republic of Moldova, signed in Chisinau, on December 15, 2011, we reached a common agreement as follows:

1. At the requirement of the Government of the Republic of Moldova, the Government of the People's Republic of China agreed to send 5 specialists (including 2 specialists in acupuncture and moxibustion, 1 specialist in Tui na, 1 specialist in Traditional Chinese Medicine (TCM), 1 translator) to Moldova for 3-year assistance on TCM technology (considered as starting with the date of arrival of specialists in the Republic of Moldova and the beginning of the activity). At the same time, they will supply medical equipment and consumables, pieces and granules of Chinese herbs, Chinese patented medicines, etc., and will provide training to Moldovan staff.
2. The Chinese side is responsible for the selection of specialists working in the Republic of Moldova, ensuring the internal salary of Chinese specialists, international travel expenses to and from Moldova and China, living expenses, accommodation costs and transportation costs during their stay in the Republic of Moldova, providing products and equipment necessary for technical assistance and delivering them to a port in the Republic of Moldova, as well as training twice a year in the People's Republic of China for Moldovan personnel. The necessary cost will be settled on the basis of the free assistance provided by the Agreement on Technical and Economic Cooperation between the Governments of the People's Republic of China and the Republic of Moldova, signed on December 15, 2011.
3. The Moldovan side is responsible for ensuring the necessary working conditions (water,
