(b) The right of the Sovereign to any further Disbursement shall continue to be suspended in whole or in part, as the case may be, until the event or events which gave rise to suspension shall have ceased to exist, unless the Bank shall have notified the Sovereign that the right to further Disbursements has been restored; provided, however, that the right to further Disbursements shall be restored only to the extent and subject to the conditions specified in such notice, and no such notice shall affect or impair any right, power or remedy of the Bank in respect of any other subsequent event described in this Section.

Section 5.02 Cancellation by the Bank

(a) If at any time the Bank determines, after consultation with the Sovereign and the Project Entity, that an amount of the Grant Financing will not be required to finance costs of the Project to be financed out of the Grant Financing, the Bank may, by notice to the Sovereign and the Project Entity, cancel such amount of the Grant Financing. (c) If the Bank has cancelled, or an event has occurred which gives the Bank the right to cancel, in whole or in part, the Loan Financing pursuant to Section 7.02 (*Cancellation by the Bank*) of the Standard Terms and Conditions, the Bank may, by notice to the Sovereign and the Project Entity, cancel the Grant Financing, in whole or in part.

(d) If at any time, the Bank determines that :

(1) the procurement of any of the Grant Financed Items is inconsistent with this Agreement;

(2) funds disbursed under this Agreement have been used for purposes other than those provided for under this Agreement; or

(3) with respect to any Contract, any representative of the Sovereign, the Project Entity or any Contractor has engaged in any Prohibited Practice during the procurement or execution of such Contract, without the Sovereign or the Project Entity having taken timely and appropriate action satisfactory to the Bank to remedy the situation;

the Bank may, by notice to the Sovereign and the Project Entity, cancel the Grant Financing in whole or in part. Such cancellation shall take effect when notice is given.

(e) If at any time, in accordance with the Enforcement Policy and Procedures, the Bank determines that any representative of the Sovereign, the Project Entity, any Contractor, an Affiliate of such entities, or any of their officers, employees, agents or representatives, has been included on the Bank's list of persons or entities ineligible to be awarded a Bank-financed contract or for Bank funding, as such list may be found on the Bank's website, the Bank may, by notice to the Sovereign, cancel the Grant Financing in whole or in part. Such cancellation shall take effect when notice is given.

(d) At any time, in accordance with the Enforcement Policy and Procedures, the Bank determines that the Sovereign, the Project Entity any Contractor, an Affiliate of such entities, or any of their officers, employees, agents or representatives, has been included on the Bank's list of persons or entities ineligible to be awarded a Bank-financed contract or for Bank funding, as such list may be found on the Bank's website.

Enclosures: - Total number of Summary Sheets: [17]
- Total number of document items: [18]

Notes for completion of the form of Disbursement request

[1] The Sovereign should number each request form. The first request for a grant disbursement will be number 1, the following requests will be numbers 2, 3, etc. It is up to the Sovereign to keep track of the number of all grant disbursement requests that it has made under the given grant agreement. The request forms should follow the same sequential numbering system, whether they are for a direct payment disbursement, or for the issue of a reimbursement commitment. The use of this numbering system avoids confusion in case forms are held up in the post, are faxed more than once, etc.

[2] Please state currency of actual payment required. This will be either the grant currency, or the currency of the expenditures (see [3] below). Alternatively, in some circumstances the Bank may agree to pay in a third currency, in which case it would act as the Sovereign's agent in order to obtain this currency.

If payment is required in more than one currency, then a different application form should be used per currency.

[3] The financed amount(s) are the original expenditures, in their original currency as detailed on the summary sheet, calculated at the appropriate percentage specified in the grant agreement for the applicable eligible Grant Financed Item. The amount(s) given here should correspond with the total amount(s) in section [15] of the summary sheet.

[4] The value date is the date that the EBRD's account is debited with the payment amount of the disbursement. The EBRD cannot guarantee that the payee's account will be credited on the same date, as this depends on the procedures adopted by the clearing system or the recipient bank in the country of the payee. There should be 15 business days minimum between the date that the EBRD receives the application and the requested value date. If in fact the payment is needed as soon as possible, instead of on that specific value date, it may be better not to give a specific date, but to put "as soon as possible" in this field [4]. In that case the EBRD will make the payment in any case within 15 business days, but earlier if possible. (Please note payment can only be guaranteed within 15 business days if the disbursement request is correct and complete.)

[5] The Disbursement is paid out to the payee. Normally the payee will be the Contractor, but provided that the Bank has agreed otherwise in writing and the enclosed documentation (see the summary sheet) provides evidence that the borrower has already paid the Contractor, then payment may be made to the Sovereign.

[6] The payee's account name in most cases will simply be the name of the payee.

[7] The payee's account number is required to avoid delays. In a growing number of countries, banks will refuse to make payment if the payee's account number is not given in the payment instructions.

[8] The payee's bank is the bank where the payee's account is held. Please indicate bank name and town.

[9] Instead of the address, the sorting code or SWIFT code can be given.

[10] The correspondent bank of the payee's bank is only required if payment is not to be made in the currency of the country where the payee's bank is located. In that case, the correspondent bank is the bank, located in the country of the payment currency, with which the payee's bank holds an account.

[11] Instead of an address, the sort code or SWIFT code of the correspondent bank can be given.

[12] The payee's bank's account name in most cases will simply be the name of the payee's bank.

[13] The payee's bank's account number is essential if the payee bank holds more than one account with the correspondent bank, or if it is not a member of SWIFT (the international electronic payment settlement system). Otherwise this number is useful but not mandatory. Where applicable the IBAN No. (International Bank Account Number) should be quoted.

[14] The payment reference which the EBRD will send with the payment helps the payee to identify the payment. If no specific reference is requested, the EBRD will mention the Sovereign's name and the agreement number.

[15] Payee's email address is required for the Bank to send notifications of upcoming payments to the payee prior to the Bank making such payments. It should be an email account that the payee is checking regularly.

[16] Signature. The request summary sheet should be signed off by or on behalf of the Sovereign.

[17] The summary sheets list all the items of documentation enclosed to support the Disbursement request application. If there are many items, it is advisable to use a separate summary sheet per category.

[18] The documentation items (contracts, invoices, receipts, etc.) are to be numbered and presented in the same order as they appear on the summary sheets. Their total number should be indicated here to facilitate the EBRD's review.

If one Disbursement request covers expenditures from more than one Grant Financed Item, then a separate summary sheet is to be used for each Grant Financed Item.

[7] Item number. All document items (invoices, contracts, receipts, etc.) should be presented in the same order as they appear on the summary sheet(s). To facilitate identification, the documents should be numbered, starting with 1, 2, 3, etc., for each new Disbursement request, and this number should be clearly marked on the document itself. The total number of items for the total of all summary sheets is noted on the Disbursement request form.

[9] Contract order number and date. It is recommended that the contract is given an original number when it is drawn up between the Sovereign and the Contractor. The EBRD will adopt this number for its own record keeping. If the contract has not been given an original number, the EBRD will allocate it a number and advise the Sovereign at the time of approval. If the Sovereign does not know the number at the time of completing the summary sheet, this part can be left for the EBRD to complete.

The date of the contract/purchase order should also be given in this column.

Note: the same contract may appear in more than one Disbursement request, if delivery of the goods, works or services (see [11]), and therefore payment for these goods, etc., is made in stages.

When there is more than one "item" for each expenditure, (e.g. an invoice, certificate and receipt, all for the same expenditure), those items should be bracketed and only one amount should be shown in this column.

[14] Amount of financing. For each amount listed in column [13], there should be a corresponding amount in this column [14], calculated at the percentage stated in [6], corresponding to the category of this summary sheet. The amount of financing should be in the original currency of the contract and expenditure (columns 12 and 13). This may or may not be the same as the loan currency or the payment currency.

[15] Total. The amounts of financing, as listed in [14], should be added up into one total amount per currency. For direct Disbursement requests, amount(s) given here should correspond with the amount(s) given in [9] of the direct Disbursement request form.
